Any coverage of this in the national Fake News Media? It's almost like they don't "report" this tragic news because it's a Democrat-run city and it doesn't fit their agenda.

The cover up at the @ajc of yesterday's events at Stone Mtn continues. They (@bluestein @TIAreports @politicalinsidr @billtorpy) know their few readers - both Dem and Rep - would be horrified to see this. That's why they aren't covering it. Agenda-driven propaganda news. #gapol

I realize she served our country and made a big sacrifice. But, I was in politics when she was first vetted to run for office. We had a private sit-down talk to see if she knew the basics like economics, diplomacy, government - just basics. It was scary how little she knew!

Thank you, @GovKemp, for taking action to restore law and order in Atlanta. Atlanta Democrat Mayor @KeishaBottoms has obviously lost control of the city and has failed in protecting the Capitol of Georgia. #gapol #ga14 #sass

2. Bottoms should resign as mayor, and perhaps the residents of Atlanta should consider electing a Republican mayor who will restore law and order to the city.

How can you defund police when in one weekend 5 children are killed:11 year old in Washington dc, 8 year old in Atlanta,7 year old in Chicago, 8 year old in Hoover, Alabama, and 6 year old in San Francisco. Does nothing get through to modern liberals- we need more police not fewer

My opponent, John Cowan, was caught on video saying he wants a "strong WHO," standing in direct opposition to @realDonaldTrump.

Here is that video -> youtu.be/hf-syari3mY

We can't afford any more RINOs like my opponent in Congress.

This is why I'm opposed to radical Islam in America. BLM hate America leftists chanting in the streets of Brooklyn and DC ...

"Death to America"

This anti-semitic rhetoric has no place in America or in this world.

Thanks for the note, Steve. Typical desperation tactics from my opponent who I beat by 21,000 votes last month and will beat again on August 11th. We have the people, he has the politicians. #gapol #ga14 #sass

Steve [redacted] ▶ Marjorie Taylor Greene for Congress

I'm getting very tired of "someone" continually removing campaign signs, located on MY PROPERTY, of the person I support in the race for Congress. **#marjoriegreene2020**
I suspect her opponent, and/or his supporters are behind this, but can't prove it, YET. But when I can, and I will, they will be exposed.
For those who think this will change MY vote, you are pretty simple-minded, and have solidified it.
Perhaps you should spend your time doing something more productive. Something that will garner your candidate more than a few endorsements, because these type of antics won't get the job done.

Be fearless. They arrested Dr. Martin Luther King, Jr. for lawful non-violent civil disobedience. In the end, Dr. King prevailed. Truth always does.

Ilhan Omar was born in Mogadishu, spent part of her childhood in a refugee camp. She and her family were accepted by the United States and in one generation she has become a congresswoman. Why is she so angry at America. Gratitude might have been better than rage as a response.

Mask wearing mandate of Atlanta Mayor @KeishaBottoms violates US Constitution, basic human rights & GA anti-mask statute. Medical evidence of benefit of masks is far too uncertain to justify loss of freedoms. Refusal to wear mask is a lawful act of non-violent civil disobedience.

I don't like when govt mandates anything, but what freedom did u lose? I still have freedom of speech, & going places I want to.

Wearing a mask to protect those I love hasn't stopped me from doing anything I want to do.

What constitutional right has been revoked by the mask?

2

Lin Wood @LLinWood · 2h
For starters, basic human right to wear or not wear whatever I choose provided

We have every right to fight to preserve our nation, heritage and culture. When vandals like Tammy Duckworth and Ilhan Omar tell us that we're not allowed to question their patriotism, as they scream about how horrible this country is, we have every right to laugh in their faces.

I want to see Nancy Pelosi's tax returns.

She has been a public servant for over 40 years.

Making an average salary of just over $100k a year.

How does she have a net worth of over $120 MILLION????

the company has not engaged in such illegal activity, Dr. Cowan blatantly accused the company and Ms. Greene personally of such. Again, this constitutes defamation per se.

Similarly, the announcer's statement that "while leading her construction company, Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not illegal aliens" is blatantly false and defamatory. As noted above, Ms. Greene has been 51% majority owner of the company engaged in its operation and management since 2007. While *leading* the company

to the period 2003-2010 is laughable and will be easily destroyed when presented to a jury. First, the E-Verify program did not even come into existence until 2007. Thus, even under your absurd interpretation of your own statements, they are false as to four of the seven years at issue. Moreover, you could have said, but intentionally chose not to, that "while serving as CFO of the company from 2007-August 1, 2010, the company chose not to enroll voluntarily into the E-Verify program." But that is not what you said. Your blanket false statement was intended to smear Ms. Greene and her company and cause the voting public to believe that she has routinely violated federal immigration laws, that her company routinely hires illegal aliens, and that it is presently in violation of those laws. Such an effort to falsely and maliciously defame Ms. Green personally and the excellent reputation of her company are precisely the reasons Georgia defamation law provides an immediate remedy to Ms. Greene to bring suit against Dr. Cowan, his campaign, those associated with his campaign and any and all third-party publishers of your defamatory publication.

Please immediately provide notice to Dr. Cowan, his campaign manager Spencer Hogg, Dr. Cowan's campaign Chairman, Andy Garner (of the law firm, McRae, Smith, Peek, Harman & Monroe), Mickey Tuck (Plant Facilities at Floyd Medical Center) and all employees and volunteers of his campaign, that the company and Ms. Greene intend to hold each of them liable for their role in publishing this defamatory material and for their role in not insisting that it immediately be taken down. Please be further advised that members of the campaign as well as any other supporters who re-publish these materials will be held accountable in a court of law for their derivative defamatory conduct.

We sincerely regret that Dr. Cowan and his campaign have seen fit to burrow so deeply into the dirt to find mud to sling as they are attempting to do here. The voters of the 14th District will reject such dishonorable and disreputable conduct.

Please proceed at your own risk.

Cordially,

David F. Guldenschuh, P.C.

was not launched until the following year. At the time, it was a purely voluntary program implemented on a test basis in the States of California, Florida, Illinois, Nebraska, New York and Texas. The E-Verify Program, as you refer to, did not even come into existence until 2007 when the Basic Pilot Program had developed to a point that re-branding it was appropriate.

On August 4, 2010, at a time when Marjorie Greene was in fact listed with the Secretary of

"Records show she [Ms. Greene] refused to use E-Verify at her family business" and

"If we can't trust Marjorie to hire Americans instead of illegal immigrants, we can't trust her . . ."

In the attached video, the announcer states as follows:

"While leading her construction company, Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not illegal aliens."

Each of the above statements are blatantly false.

One cannot "refuse" to enroll in a program in which there is no legal requirement to do so. The term "refusal" infers the declination of a request or demand, or the omission to comply with some requirement of law, as the result of a positive intention to disobey. Of course, since the company had no legal obligation to enroll in the program, Ms. Greene could not have "refused" anything. Indeed, the facts well-known to you prior to making your defamatory publication were that the company was in compliance well in advance of the July 1, 2013 start-up date in Georgia.

Moreover, it was during her designated service as CFO that the company enrolled in E-Verify, and it has remained enrolled continuously through the present. Thus, your statement that "she refused to use E-Verify at her family business" is false on its face. As it accuses the company and Ms. Greene of violating federal law, it is defamatory per se and published with actual malice.

The statement immediately following is even more defamatory. Dr. Cowan's statement that "we can't trust Marjorie to hire Americans instead of illegal immigrants" directly accuses her of violating federal law by hiring illegal immigrants. Since becoming legally obligated to enroll in the E-Verify program, the company has been subject to routine audits for compliance and it has not been found in violation of the program. This fact is easily researchable. Thus, with full knowledge that the company has not engaged in such illegal activity, Dr. Cowan blatantly accused the company and Ms. Greene personally of such. Again, this constitutes defamation per se.

Similarly, the announcer's statement that "while leading her construction company, Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not illegal aliens" is blatantly false and defamatory. Roger Stone's prosecution by overzealous Special Counsel prosecutors was an outgrowth of the Obama-Biden misconduct.

Like every president, President Trump has the constitutional right to commute sentences where he believes it serves the interests of fairness and justice.

Question, how is this election gonna even come work out? Republican voters are trying to vote and Republican Ticket is not turned on for vote access at electronic vote machines! Will not accept Republicans votes! But Democrats get to vote there button is taking votes only!

Has Nike remained silent on Hong Kong because they benefit from the forced labor of Uyghur Muslims held by the Chinese Government?

De Blasio took safety and quality of life away from New Yorkers the day he was sworn in. NYPD should take his security details away and let him feel what we feel like everyday when he took everything away from us to back criminals.

What are these legislators in NY thinking? People are being murdered in cold blood and I blame them. They have tied the hands of our Police Officers. It is shameful and we see the pandering they are doing!

She defended Fauci.

She told Gaetz I look forward to seeing ur HBO doc.

She told Massie his issue is w/ Trump, not her.

She told Jordan I look forward to hearing ur comments about being a team player when we're back in the majority

Sad. Many have died in Georgia due to Trumps and Kemp's response. This is well after New York saw the gravity of the situation. At one point nursing homes here in our state were admitting recovering covid patients from hospitals. Still no masks seen on you or those you meet.

When he thinks the cameras are off, Fauci makes a mockery of his "social distancing" recommendations and proceeds to brush off his own mask advocacy.

When are we going to start calling this a war?

These aren't protestors using their first amendment rights.

This is a communist uprising.

These communist terrorists have declared war on our country.

We must fight back!

Our kids have been failed by leadership that has prioritized optics and economics over containment. If we took the steps needed months ago, we could be opening safely. Opening now is going to unleash a floodgate of sickness. Look at the hospitalization numbers. Not the time.

The protestors are patriotic American citizens and literally mothers who care about the future of their kids and their families. They’re risking their lives to protest police brutality, racism, and this corrupt administration that is destroying the very foundation of our country.

Trump, by falsely accusing protestors of being “anarchists who hate our country,” is going to war with the American people who are just excercising their First Amendment rights to speak freely and to assemble. It sets the precedent for a military police state that is truly scary.

I'll ask again.
When do we start saying these anarchist have declared war on America?
Unless people are wearing mask over their eyes, it's pretty obvious.
Their end goal is communism.
All you have to do is ask them while they are raging violently nightly.

I ran into Jerry Nadler in DC and asked him to disavow the Antifa violence/rioting in Portland.

This Jerry Nadler is the same guy who gave us the "Russia Hoax," yet now calls what we all can see happening in Portland a MYTH.

These are the words of violent domestic terrorist hell bent on anarchy with one end goal.

Ask the police officers risking their lives to preserve law and order.

Ask the federal agents being pelted with fireworks and projectiles.

Ask the small business owners who've had their property destroyed.

You have got to be kidding.

Nancy, you can't even call Congress back to work.

Now you are demanding that we pay Anarchist rioters more unemployment checks while they systematically violently attack America nightly?

What a failure in leadership.

> After 10 weeks of Senate Republicans' unilateral "pause" on responding to the coronavirus, it remains unclear whether they will release their plan today – even as working families struggle to make rent, children go hungry and unemployment is expiring.

Same Democrats say covid is too dangerous to open our children's schools, go to work, go to church, and reopen America.

When I get to Congress I will hold Big Tech accountable!

Many “journalists” are really Democrat activists pushing left-wing Democrat policy through their stories.

They don’t care what kind of harm comes to those who stand for truth, and they will go to any lengths to achieve their goals.

People don’t trust the media.

Andy Ngô @MrAndyNgo
For weeks I've been hesitant to bring this up but I think the public should be aware of what type of journalists are going on @CNN, etc. & setting the narrative about the riots in Portland, Ore.

Joe Biden won the Primary. He is far from being "Radical." If anything you are the "radical" one.

Donald Trump was all ready to campaign against Bernie Sanders with his bogus attacks of "socialism" and "radical left." Then Joe Biden won and now he still thinks that his strategy can work. Biden has been in office for 40 years. We all know he's not "radical."

As an American & leading candidate for Congress, I am appalled at the censorship of these Covid frontline doctors.

Their freedom of speech should be protected.

More importantly, their experience & testimony on how to treat Covid needs to be heard.

Over 40% of the 158K deaths from Covid were in nursing homes, sadly.

We know who the risk group is.

Children and most working aged adults are not in high risk from Covid and should have freedom to go to school and work 100%.

The vast majority of deaths happened during March-June, yet mask were optional according to the "experts."

Now testing is at all time highs, death rates are dropping, but now mask are being mandated on the low risk majority population.

We just landed a splashdown of the Space-X capsule from outer space, yet we are wrecking our economy and our children's future bc we can't figure out how to keep our high risk loved ones safe while fully re-opening America.

Look at facts, not live in fear.

This daily insanity we are living in needs to stop before this insanity becomes the new normal.

The US is self imploding over election driven and media hyped fear.

Our children's lives are being ruined bc of this.

As a Mom, I've had enough.

The Fake News Media is in attack mode. Like they do daily to President Trump, they're attacking me days before my election in hopes to swing the election in favor of my DC Swamp-backed opponent. Not going to work. Because the people are with Greene! #sass #gapol #ga14

I've heard from my LIBTARD RELATIVES that planned parenthood facilities provide a wide range of women's healthcare, including preventative checkups, cancer screenings, and infertility treatment. While those things would be considered "healthcare," I can't imagine it's true.

Historic is probably a good way to describe it. Trump will definitely have a spot in the history books. He won't have statues. We won't celebrate his birthday. He will never be on our currency. Probably won't get a library.

My opponent, John Cowan, is a Mitt Romney-style Republican.

He'll turn his back on @realDonaldTrump the first chance he gets, just like Mitt Romney. He's also being run by Jeb Bush consultants.

He won't condemn BLM, ANTIFA, or George Soros.

Did you report these incidents of "terrorism" to the police? That's a pretty serious word to be carelessly throwing around... we need elected officials to be calm and deliberate, not inflammatory and reckless with their statements. Hopefully you will never be in that category

This is the America the Democrats want!

The Democrats want to free murderers & rapists while they take away our guns & police.

They want to leave innocent Americans defenseless. The Democrats are evil!

Vote Republican!

If Arkansas is still cool with playing, knowing their schedule, no other team really has a valid excuse.

My RINO opponent @JohnCowanGA only platform has been "she's not from here."

News flash John, you're not from here.

You're from Cartersville.

That's #GA11 where your brother ran against @RepLoudermilk in 2016.

Wasn't it #IranDan?

@JohnCowanGA sends American jobs to China instead of creating American jobs right here in the US.

So why the family lust for power & Congress and doing business with America's enemies?

Yes but 30 minutes to my polling place. Another guy was there too and more pulling up. There were two pollsters there and one of them got in his car to go get provisional ballets but if he had to drive to courthouse that would be at best a 40 min turnaround. I could not stay. I am in pre/post op. The other guy there with me said he could not come back either. He was working 12. The need to at the least stay open til 8pm.

I just donated to your campaign on your website. Also, I took my 18 year old daughter to vote today (her first time) at the Dalton senior center precinct. My wife and I early voted for you. So you got all 3 votes from our family. Thank you for coming to Dalton to help defend our monument. Also congratulations and good luck in Congress because we are sure you will win tonight!

Great to talk to @ToddStarnes & share about the #2020PrayerMarch taking place Sept. 26 in Washington DC. I'm asking people to join me & march for our country, praying as we go from the Lincoln Memorial to the Capitol Building, that God would heal America.

The media doesn't ask the people's questions because they do not represent the people.

A high majority of the media are Democrat activist using their platform to throttle Democratic Socialism.

The GOP establishment, the media, & the radical left, spent months & millions of dollars attacking me.

Tonight the people of Georgia stood up & said that we will not be intimidated or believe those lies

I'm excited to be the next Congresswoman of GA 14

God bless America 🇺🇸

Congratulations to my good friend and GA-14's next Representative @mtgreenee.

Marjorie has been viciously attacked and smeared by the establishment and the media.

But she didn't let their lies or their attacks get to her.

She beat her establishment hack of an opponent by 20!!

Marjorie Greene videos were never "racist", just like Kate Smith songs never were. This is #Democrat & #Fakenews #media lie. It gets traction only when stupid & cowardly Republican GOP Establishment repeats them. Like when I ran in NJ in 2018. Congrats!

Qanon is a fabrication. This "insider" has predicted so much incorrectly (but people don't remember PAST predictions) so now has switched to vague generalities. Could be Russian propaganda or a basement dweller. Regardless, no place in Congress for these conspiracies.

I haven't embraced any conspiracy theories.

You did.

You literally lost your mind and your senate seat because of the russiagate conspiracy theory.

I don't think the GOP needs to take any lessons from you, Snowflake.

I don't answer to them.

I answer to the people of Georgia's 14th Congressional District. These great people overwhelmingly voted for me and @realDonaldTrump.

The most costly conspiracy theory of the 21st century for our country (the need for the Iraq War) was promoted by @RichLowry of NRO.

He actively cheered and propagandized for America to spend trillions of our tax dollars and lose thousands of American lives in the Middle East.

2. Mr. Lowry has some very nasty things to say about me, yet he has never met nor spoken to me.

As a conservative, I believe America should be taken care of first.

To use your words, Mr. Lowry, your brand of conservatism has been "deeply corrosive," costly and deadly.

The anti-semitic, pro-Iran, Democrats, aren't happy about this!

But this is a great agreement for the world!

I'm being attacked for my opposition to open borders and globalist neocon nation-building wars.

I strongly disagree (and regret for our country) the TRILLIONS of our tax dollars America has spent in never-ending wars in the Middle East that still continue today.

$3 TRILLION dollars of COVID spending is $1 BILLION per county for the 3,000 counties of the United States!

What could your county have done with $1 billion?

Will it cause a hardship for your county to send $1 billion back to DC to pay for the recent spending?

The GOP establishment, the media, & the radical left, spent months & millions of dollars attacking me.

Tonight the people of Georgia stood up & said that we will not be intimidated or believe those lies

I'm excited to be the next Congresswoman of GA 14

ಹಿಂಬಾಲಿಸು

The GOP establishment, the media, & the radical left, spent months & millions of dollars attacking me.

Tonight the people of Georgia stood up & said that we will not be intimidated or believe those lies

I'm excited to be the next Congresswoman of GA 14

God bless America 🇺🇸

I haven't embraced any conspiracy theories.

You did.

You literally lost your mind and your senate seat because of the russiagate conspiracy theory.

I don't think the GOP needs to take any lessons from you, Snowflake. 💋

I haven't embraced any conspiracy theories.

You did.

You literally lost your mind and your senate seat because of the russiagate conspiracy theory.

I don't think the GOP needs to take any lessons from you, Snowflake. 💋

It has cost us TRILLIONS of taxpayer dollars, thousands of lives, and kept our country bogged for almost 20 years.

Bill de Blasio has announced today that he is cancelling the 9/11 “Tribute in light” over ‘coronavirus concerns’

He’s let rioters destroy NYC for the past 2.5 months but he can’t show respect to the families of the brave first responders & other victims?

Disgraceful.

I think the whole "resistance" thing is just a cover for the FBI to keep their eyes on Trump, but it's also a way to prevent the president from actually trying to remove the power of the FBI to investigate him.

I've seen plenty of evidence that Islamic radicals hijacked four planes, attacked our country, and killed thousands of Americans on 9/11/01.

3. Some people claimed a missile hit the Pentagon. I now know that is not correct.

The problem is our government lies to us so much to protect the Deep State, it's hard sometimes to know what is real and what is not.

3. Some people claimed a missile hit the Pentagon. I now know that is not correct.

The problem is our government lies to us so much to protect the Deep State, it's hard sometimes to know what is real and what is not.

3. Some people claimed a missile hit the Pentagon. I now know that is not correct.

The problem is our government lies to us so much to protect the Deep State, it's hard sometimes to know what is real and what is not.

Abortion kills millions of innocent black babies each year.

The USPS has lost $78B since 2007. If it were a private business like mine, it would have already failed.

Yet Nancy Pelosi is framing budget cuts to keep USPS viable as "election meddling."

If we can grocery shop, we can vote in person.

Pelosi has no business sense.

President Trump has already offered $10 billion to fix Postal as part of a COVID relief package. Democrats have said no. They're holding up a relief bill (including stimulus checks and small business relief) until they get more of their policy wishlist demands included.

THANK YOU to Debbie Meadows and Right Women PAC for your endorsement and support!

RW RightWomen POLITICAL ACTION COMMITTEE

FOR IMMEDIATE RELEASE: August 12, 2020
CONTACT: Debbie Meadows, execdirector@rightwomen.com

Right Women PAC Congratulates Marjorie Taylor Greene for Winning the GOP Primary Runoff Race in Georgia's Fourteenth Congressional District

WASHINGTON, DC – Right Women PAC today congratulated Marjorie Taylor Greene for her victory in the GOP primary runoff for Georgia's 14th Congressional District. Greene garnered 57% of the vote – a resounding victory.

A pro-life conservative committed to pro-growth economic policies, Marjorie Taylor Greene earned Right Women PAC's endorsement earlier this year. Her primary campaign focused on her intention to combat the radical socialist agenda, and her strong support for the Second Amendment and the rule of law.

"Right Women congratulates Marjorie Taylor Greene on her decisive win in the primary runoff," said Debbie Meadows, Right Women's executive director. "Marjorie will be a strong ally for President Trump in advancing the Make America Great Again agenda. She will be a great voice for Georgia in Congress."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are: ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***

For more information about Right Women's endorsed candidates, visit www.RightWomen.com.

I'm disgusted at how the Chinese virus has been politicized & used to paralyze our great country.

While we want no loss of life, the shut downs have gone too far.

Those in the risk group should take precaustions & wear mask.

Let the rest of us live free!

Fear mongering and politicization by politicians and the Fake News Media produced this.

These aren't "data-driven" solutions, it's borderline abuse.

Makes sense.

@AOC doesn't have the business experience to properly restock the bar she tended let alone write economic policy above coloring book level.

Not sure @maddow could moderate without a #TDS breakdown.

You know you've made it when the Twitter basement dwellers (and Fake News Media) start to call you a Russian asset.

Begs the question:

How many of our esteemed Fake News reporters are taking brown bags of cash from the Communist Chinese?

Maybe someone should look into that.

Yes the Democrat activists posing as journalists truly enjoyed the Democrat convention.

They all took the pledge to support Biden's communist unity manifesto (that he doesn't know he signed)

Can't wait for our convention!

Greene responded to CNN's report after publication, saying in a statement that she wears "attacks" from the media as a "badge of honor." She did not address the past blog posts in her response and did not respond to further request for comment.

"CNN, the biggest peddler of the Russian collusion conspiracy theory, hires democrat activists to parade around as journalists.

The prospect of a strong conservative woman serving in Congress terrifies the Fake News Media as much as President Trump serving in the White House scares them. Any time CNN or anyone from the Fake News Media attacks me, I wear it as a badge of honor. It means I'm doing a great job."

It's obvious to anyone who watched the Harris speech that this is the Harris-Biden ticket, not the other way around. Joe Biden is a senile fool who will be manipulated by #Soros, Harris, Pelosi, Schumer & their fellow #Socialists until he decides to make it official & step down.

I don't believe in divisive identity politics.

In reality, there are two types of identities;

Love and Hate

Mail-in ballots set up the high risk of voter fraud.

Democrat riots all across America prove people can vote in person.

As of today in America, 3,378,859 people have recovered from COVID-19.

The media only reports the deaths and new case numbers, but please remember that the vast majority of people do survive.

We must always be hopeful rather than spread negativity.

Very happy to see this great effort towards taking the abortion pill off the market!

The abortion industry lies to women in crisis convincing them the only way to achieve their dreams is to kill their own baby.

Agreed. If I were on a jury, I would NOT vote to convict Kyle Rittenhouse of any charges against him.
Kyle is a minor. He acted in self defense against violent radical adult men attacking him and threatening his life.
Exactly why gun rights are important.

Actually Nancy, we need to remove you from Congress.

Congressman Steve Scalise was shot by a left-wing terrorist, and the next day you blamed Republicans.

Senator Rand Paul was hounded by a BLM / ANTIFA mob last week and could have lost his life.

Relax @IlhanMN, it's just a meme.

Dems call themselves peaceful and tolerant, yet every time the Fake News launches a smear campaign, death threats like these pour in from the left.

Violence in America is happening in Dem-run cities, funded by Soros ($220 mil) and egged on by the Fake News.

Peaceful my ass.

Do the Dems think mothers want to vote for left-wing violence and intimidation in the streets?

I'm honored and thrilled to be invited to attend President Trump's acceptance speech Thursday evening at the White House.

I'm also equally excited to vote for him again November 3rd, and I'm working hard all over Georgia to help him win.

Democrat Socialists leaders do the same thing here.

@TeamPelosi @IlhanMN @AOC @tedwheeler and more defend and support criminal Antifa/BLM who are domestic terrorist in the US.

They don't care about businesses & innocent people

El Latigazo Español @LatigazoE

We Spaniards suffer a lot from socialism. Yesterday, our socialist president, Pedro Sánchez, was saddened in the Senate of the death in jail - by suicide - of a terrorist. What kind of ideology is it that cares more about the criminal than about the victims?

Dems are fond of saying "no one wants to take your guns away."

Yet @DianneFeinstein herself says that's the goal: turn them all in / pick them all up.

My advice to Americans: buy as many as you can!

It's the best defense against the tyranny Dems have in store for America.

This is exactly why no one believes the Fake News anymore.

Democrat activists are like the boy who cried wolf too many times.

Now everyone just tunes them out and turns the Fake News off.

People aren't stupid and are fed up with the lies.

I think we should hold you in contempt of office for the shocking disrespect you show the American people.

Contempt is the act of despising.

@TeamPelosi has so much contempt for @realDonaldTrump that she is unfit to serve bc she is blinded by hate.

Nancy Pelosi @SpeakerPelosi
The behavior we have witnessed by the President these past 24 hours shows the contempt he has for the lives & livelihoods of the American people. #TheReidOut
